INT. THE PARK - DAY

A boy, Chris (19) is on a park bench reading a comic.~~(this is not an insert I promise)~~

He is sitting on a park bench on a beautiful sunny day.

Girl, Spencer (19)~~(this is an insert. Love you Spencer)~~

College Freshman, sits down next to him and looks around gathering courage, before breaking the silence with a gentle smile.

SPENCER
(trying to play it cool)
Hey, Chris... right? I've noticed you around. Um, you like comics? That's cool.

CHRIS
Oh, thanks.

Spencer twirling a strand of hair while leaning slightly closer.

SPENCER
I've always wanted to learn more about comics. Maybe we could grab coffee sometime?

Chris looks around, trying to find the secret camera. Fearing that he has somehow fallen into some kind of social experiment.

CHRIS
(putting up walls)
Um.. sure. What does that have to do with comics?

Spencer giggles softly, trying to play it cool.

SPENCER
Well, coffee is better with good company, right?

CHRIS
Sure.

Her eyes light up in relief

SPENCER
Perfect! How about today? I finish classes at 3.

CHRIS
Alright. That could be nice.

SPENCER
Great! Let me get your number so we can figure out the details.

Spencer takes out her phone and hands it to Chris. Making sure to brush her fingers against his.

CHRIS
Alright.

Chris takes it and calls himself.

SPENCER
Thanks! I'll text you the address later.

Spencer saves the number with a little heart next to it.

SPENCER (cont'd)
Can't wait to hear more about your comic collection.

Spencer gets up and waves over her shoulder, walking away. As Chris realizes he never mentioned his collection.

CHRIS
Wait.. how do you-

SPENCER
See you tonight Chris! Don't forget about me.

Chris gives her a once over in shock at what just happened.

CHRIS
(to himself)
I definitely won't.

INT. CLASSROOM - LATER

Spencer pretends to take notes while texting Chris under her notebook.

SPENCER (TEXT)
Hey, I just realized I never asked! Do you like sweet or savory pastries?

CHRIS (TEXT)
I like anything tbh just no berries in my pastries! Please!!!

SPENCER (TEXT)
No berries got it! I'll make sure they have those chocolate croissants that I know you love!!!

CHRIS (TEXT)
Okay! c: wait... how do you know that?

Spencer smiles at his response.

SPENCER (TEXT)
You're adorable, you know that? I'll make sure this is the best coffee date ever.

CHRIS (TEXT)
I'm a simple man ig lol

She lets out a soft laugh as she finds his humility incredibly endearing.

SPENCER (TEXT)
That's what I like about you, simple but interesting. Can't wait to learn more about you. c;

SPENCER (TEXT) (cont'd)
The weekend can't come fast enough, You're really good at making me wait

CHRIS (TEXT)
Thank you. I don't try lol

Spencer playfully rolls her eyes, though she's completely smitten

SPENCER (TEXT)
That's what makes it worse! You're naturally charming without even trying. It's dangerous o_o

CHRIS (TEXT)
Are you gonna be able to handle that?

SPENCER (TEXT)
Oh, I think I can handle anything you throw at me. But you might not be ready for what I've got planned.

SPENCER (TEXT) (cont'd)
Just wait and see Chris. I'm full of surprises, But first, I need to focus on surviving this class.

Spencer puts her phone down with a smile playing on the corner of her mouth.

INT. CAFE - LATER

Spencer is already at the cafe wearing her favorite light-blue sundress and nervously checking her phone. She texts Chris.

SPENCER (TEXT)
Hey! I got us a table by the window. Hope you don’t mind that I’m early.

She looks up at the sound of the bell on top the door. Spencer stands up really fast. Spencer waves him over, trying to act casual.

SPENCER
You look, really nice today.

Chris sits down trying to act nonchalant about someone showing interest.

CHRIS
Sure, I guess. Um, you look really nice too.

Spencer scoots in her seat to line up with Chris.

SPENCER
Thanks! Maybe I could take some pictures of you-OR maybe we could take some pictures together? You know...

Spencer looks at the ground then back up at Chris gaze.

SPENCER (cont'd)
For memories.

CHRIS
(nonchalant and shit)
Yeah, that would be cool I guess.

She leans forward slightly, her voice soft and inviting.

SPENCER
You’re not much of a talker when you’re nervous, are you?

Spencer sits back up with a bounce of energy

SPENCER (cont'd)
That’s okay, I’m pretty talkie for both of us.

Chris tries to hide the building blush on his cheeks from her adorable excitement.

CHRIS
Don’t worry, I’ll warm up eventually

Spencer reaches across the table to touch his hand but then pulls back.

SPENCER
Take your time. I’m just happy you agreed to come out with me.

They both stand up and walk to the counter to order. Spencer orders a latte. Chris orders "the same".

SPENCER (cont'd)
I’ll pay for yours. You know because I offered to come here.

CHRIS
Great.

Spencer notices his short response and tries to keep the conversation flowing.

Before she can speak. The drinks are set down on the counter and Spencer takes a sip, with a little cheekiness, maintaining eye contact with Chris. Trying to reenact a move out of the romance novel she has been reading.

Chris's phone rings.

He checks it.

CHRIS (cont'd)
Oh, I should take this.

SPENCER
Yeah, okay.

Chris answers the call as he walks away.

CHRIS
hey-yeah. No yeah right now is a great time-

Spencer sits and turns around. Looking at the cookies behind the display.

CUT TO:

EXT. OUTSIDE THE CAFE

Spencer walks out the cafe as Chris is still on the call.

CHRIS
Oh, hey.. where you going?

Spencer adjusted her bag.

SPENCER
Oh, yeah I need to go... study. But! Oh I had a great idea!

Spencer starts to get hyper again.

SPENCER (cont'd)
I know this really great spot! We should have a picnic for dinner! Oh yeah yeah! I can make use dinner and we can sit in the grass.

Chris is not paying attention. He notices she is watching him.

CHRIS
(disconnected)
Oh-yeah. That sounds like fun.. let me know when and where okay?

Spencer with a big smile on her face.

SPENCER
Okay!

Spencer walks away.

EXT. THE WOODS - EVENING

Spencer sits on the picnic blanket setting up things and making everything presentable. Chris walks around a corner and wakes.

CHRIS
Hey!

SPENCER
Hey handsome. Come join me! I make these chocolate cookies, but.. they are kinda melting.

Spencer looks up squinting at the sun with a pout.

SPENCER (cont'd)
Meanie sun ruining my summer plans.

Chris follows her gaze.

CHRIS
I mean, I don't think he does it on purpose.

SPENCER
He?

CHRIS
What?

Chris sits.

SPENCER
You think the sun is a guy?

Chris pounders this.

CHRIS
I mean, isn't it in Disney movies?

SPENCER
Not in Teletubbies.

Chris looks at the cookies.

CHRIS
Maybe we should eat?

SPENCER
Oh wait, lets have some juice first. I brought orange juice.

Chris takes it and eyes it.

CHRIS
I don't know if chocolate and orange juice are really a combo.

Spencer frowns.

SPENCER
Oh.. I guess I like it. But it's okay if you don't.

CHRIS
No no. I love orange juice.

Chris chugs it all in one go. Spencer claps happy.

SPENCER
Yay! Now open wide!

She breaks off a piece of the cookie and pops it into his mouth. He chews and swallows.

SPENCER (cont'd)
Awww. Good boy.

CHRIS
Thank you?

Spencer runs her finger up to his cheek and puts hair over his ear, she grabs his hair and lean in close.

SPENCER
No-No-No.. thank you, my pathetic mutt.

CHRIS
What?

His face tightens. He grips his stomach. A sudden sweat breaks out on his forehead.

CHRIS (cont'd)
Wait... my stomach. It burns.

Spencer watches him. She reaches out, gently tucking a stray hair behind his ear. Tilting his head back.

SPENCER
(really sweet)
Oh, that’s just the acid doing its job pumpkin. Chocolate keeps the poison stable, but the citrus? It breaks it down SO fast.

Chris stares up at her.

CHRIS
(whispering)
What... why did you...

Spencer eyes run up and down his face to his lips.

SPENCER
(sweet)
You know, your hair is a little shorter than the last one. But your face right now?
(MORE)

SPENCER (cont'd)
(venom)
Same pathetic lip.

Chris seems offended.

CHRIS
(panicked)
WHAT DID YO-

Spencer presses a finger to his lips.

SPENCER
No-No-No... Don't ruin this for me.

She pulls harder on his hair.

SPENCER (cont'd)
Don't you ruin this for me, OKAY?
Just be a good boy like the last
Chris, and the Chris before him...
and let go.

Chris's eyes gloss.

Chris grabs his chest.

CHRIS
(starting to sweat)
M-My heart is...

SPENCER
Awww. Is someone getting flustered?
You poor thing.

Spencer pets his cheek.

SPENCER (cont'd)
Don't worry babe. You fuckin deserve
this.

Chris shakes his head.

CHRIS
How do I-what did I do?

SPENCER
Oh, well.. I guess you don't know
huh.

Chris lays on the ground.

SPENCER (cont'd)
Don't worry sweetie, I've done this
before... we've done this before.

Chris goes limp.

Spencer sighs.

SPENCER (cont'd)
It's a shame. He didn't even cry.

Spencer shrugs.

SPENCER (cont'd)
Well, I'll see him again.

Spencer walks behind a tree and when she walks behind a tree, flash of light.

EXT. THE PARK

This is the same angle as the first scene. Chris sits under a tree listening to music. He has a hoodie on this time.

Spencer walks into frame with a smile. In the same outfit from the last scene.

Chris has his eyes closed.

Spencer bends down and takes them out of his ear.

SPENCER
(sweet smile)
Found you.

BLACK.
