EXT. APARTMENT PARKING LOT - NIGHT

DAVE (30s) gets out of his car and locks it. He sighs and rubs exhaustion oof his face.

Dave walks toward the apartment building.

A HOODED MAN smokes near the entrance, half-hidden in shadow.

Dave walks up to the apartment building door.

MAN
Dave?

Dave freezes.

DAVE
Who's asking?

MAN
I've been looking for you.

Dave’s eyes widen. He bolts inside the building.

INT. APARTMENT HALLWAY - CONTINUOUS

Dave fumbles with his keys, breathing hard.

MAN (O.S.)
Dave.. hey!

Footsteps echo closer.

MAN
Dave! I've been looking for you! You are a tough one! I'll give you that!

Dave shoves his door open and slams it shut behind him, locking it.
A knock immediately follows.

MAN (cont’d)
Dave! Please! I just want to talk!

Dave run to his room.

DAVE
Bullshit! Who are you?!

MAN
Just let me in!

Dave’s hands shake. He grabs a baseball bat and a small pistol from the drawer.

DAVE
Who are you!?!

MAN
You don't know me! But I damn well know you!

The door rattles.

DAVE
If you take one more step, I swear TO GOD!

The pounding stops. Silence.

Dave unlocks the door, pulls it open, gun hidden behind his back.

The man walks in with his hands in surrender.

MAN
Listen! I just came to warn you-

Dave hits him with the baseball bat.

The man hits the ground hard.

Dave drops the bat and switches to his primary, the handgun.

Dave points the handgun at the man. Hands shaking.

DAVE
What do you want from me! Who sent you!? Was it Liam!?

The man shakes his head as he tries to talk

MAN
(weak)
Listen to me… I’m trying… to warn—

He lifts his jacket and reaches into it.

DAVE
DON’T!

BANG!

The gunshot shakes the walls. The man drops dead.

Smoke curls in the air. Dave stares, chest heaving.

He kneels, pries open the man’s jacket. A folded flashcard slips from his limp hand.

Dave unfolds it. Reads.

His face collapses from terror to disbelief.

DAVE (cont’d)
(Reading)
We’ve been trying to reach you about your car’s extended warranty.

Dave stares, jaw slack.

He drops the note.

Looking down at what he just did.

DAVE (cont’d)
(YELLING)
What the f—
