INT. APARTMENT - AFTERNOON

MIKE (22) stands at the sliding door as he pull the blinds back.

He looks outside turning his head, left to right.

MIKE
Huh.

ASHLEY (20) looks up from her laptop for a second.

ASHLEY
Okay.. I'll bite.

MIKE
No birds.

Ashley nods her head as she types.

ASHLEY
Cool.

Mike looks at her and back out.

MIKE
Why do you think?

Ashley keeps typing.

ASHLEY
What?

MIKE
Like... where did they go?

Ashley shrugs.

ASHLEY
Don't know babe. Google it.

Mike doesn't respond. Keeps looking outside.

Ashley looks up at him, a small smile growing.

ASHLEY (cont'd)
(to herself)
You look like a dog staring out the window.

Mike looks at her.

MIKE
It’s hot outside - isn’t that what they like?

Ashley shrugs again.

ASHLEY
I guess not. I know I am complaining.

Mike looks back outside.

A tiny gray sparrow lands on the railing

Mike points excited.

MIKE
Oh! A bird! A small gray guy.

Ashley smiles.

ASHLEY
That’s nice hon.

Mike looks back with a smile and takes out his phone.

The sparrow flaps away.

MIKE
Oh no!

Mike zooms in on the bird as it goes behind a tree.

MIKE (cont’d)
Yeah... Oh there he goes.

Mike frowns a little.

Mike checks his photo.

MIKE (cont’d)
Yeah... no, bro is just pixels.

Ashley keeps typing.

ASHLEY
Was he cute?

MIKE
Yeah!

ASHLEY
(chuckling)
You sound like a dog.

Mike looks at her for a second then goes back to his phone.

MIKE
Oh, I am looking it up.

INSERT: Mike types into google “why is there no ducks or other water birds at the lake right now and where did they go?”

Ashley looks up for a second.

ASHLEY
What does it say?

Mike reads for a second.

ASHLEY (cont’d)
Babe? Where the birds at?

Mike smiles.

MIKE
Um.. it says that the birds are in the north but that they should move back down here next month.

Ashley nods.

ASHLEY
That is good.

Mike looks back outside as he puts the phone in his pocket.

MIKE
What a shame-

ASHLEY
You miss them?

MIKE
Well... yeah. Remember when we had turkeys just running around?

Ashley smiles at the memory.

ASHLEY
(laughing)
Oh my- yeah! And you almost got attacked because you wanted to get close-ups of them! They stared at you!

ASHLEY (cont'd)
(through laughs)
You ran all the way home!

Mike turns around defensive.

MIKE
Hey! They are scary in a squad!

ASHLEY
Thank god I was there to see that!

Mike huffs as he turns back to outside.

Ashley settles and goes back to typing.

MIKE
(still looking outside)
What are you doing?

ASHLEY
Inspection Contingency Response Form.

MIKE
The Bentons' deal?

ASHLEY
(tired)
Yeah, Tommy emailed me back and said he can't do the gutter edges. Something about someone borrowed his ladder.. I don't know.

MIKE
So?

ASHLEY
(stressed)
So! Now I'm out of time and have to tell the buyer we're just offering a credit instead.

Mike doesn't say anything back. Just watches outside.

ASHLEY (cont'd)
Mike?

MIKE
Hm?

Ashley sighs.

ASHLEY
Did you hear me?

MIKE
Yeah-yeah-yeah - Totally-totally-totally.

Ashley rolls her eyes and goes back to typing.

Mike rocks on his heels.

MIKE (cont'd)
Ash?

ASHLEY
(now annoyed)
Yeah Mike.

MIKE
Hi.

ASHLEY
Mike go do the dishes.

Mike looks at her.

MIKE
Why me?

Ashley looks up.

ASHLEY
You made the mess.

MIKE
You cooked dinner!

ASHLEY
Exactly! I made dinner.

Mike rolls his eyes.

ASHLEY (cont'd)
Don't roll your eyes at me.

Mark points at her.

MIKE
You started it!

Ashley puts her hand to her hip and points toward the kitchen.

ASHLEY
Mike. Dishes!

Mike throws his hands up and walks.

MIKE
(groaning)
Fine! Geez, you sound like my mom.

Ashley keeps the stern face until he walks into the kitchen.

ASHLEY
(smirking)
Good.

She goes back to typing.
