PROLOGUE: 1988 - THE NIGHT AT CAMP PIKE

1 EXT. CAMP PIKE LAKE - CAMPFIRE - NIGHT 1

JEFF(17) plays the acoustic guitar.

Around 23 kids and 7 teenagers sit around a big camp fire.

ALEX HYDE(10) sits next to COOPER GREEN(12), HARRY BARNS(11) sits next to RORY FLOWERS(12).

The kids can kinda guess what Jeff is trying to play but the guitar is clearly out of tune.

Jeff stops playing.

Jeff looks around at the group.

JEFF
Alright kids! Who wants to tell the first ghost story?

CUT TO:

2 EXT. CAMP PIKE LAKE - CAMPFIRE - MOMENTS LATER 2

COOPER
Then! He slit her troat! And then! And Then! Took his knife and-!!!

Jeff stands up.

JEFF
Okay okay! Um, thank you so much for that one cooper.

The kids look pale at Cooper's story.

JEFF (cont'd)
UM...
This one-
I'm go off of that one.
This one is about the avenging sprit which inhabits the woods.
We are surrounded by.
They say it was born when the native Indian tribe who lived here were attacked by the colonizers!
They say that the spirit appears every now and again.

The kids look at each other.

JEFF (cont'd)
Then...
It finds someone that has done something very bad and therefore deserves to be punished!

Jeff smirks and does a ghost effect.

OOOOoooOOoOO!

Jeff does zombie arms at the kids in a silly way.

ALEX
(under his breath)
Huh, lame...

A long thin blade emerges out of Jeff's chest, blood sprays everyone. The blade move out.

EVERYONE yells at once!

COOPER
OH MY GOD!

HARRY
JEFF!

ALEX
HOLY SH-

One of the teens yells.

TEEN
RUN!!

Everyone scatters as the blade is pulled back, Jeff's body falls forward into the fire, feeding it as the flames and embers fly in every direction.

3 INT. THE MAIN CABIN - CONTINUOUS 3

Harry is being chased into the main cabin.

He locks the main door and runs into the informatory.

4 INT. INFORMATORY - CONTINUOUS 4

The overhead lights flicker and hum as he jumps into one of the beds.

Harry slides under the cover in a cot, pulling a hanging white sheet down to mask his legs.

CRASH!!

The main cabin door is ripped off its hinges. The sound of splintering wood is followed by a heavy, wet dragging sound.

Slap. Thud.

Slap. Thud.

Harry lunges out from under the bed just long enough to swing the infirmary double doors shut. He climbs onto the cot, pulls the thin wool blanket over his head, and curls into a ball, trying to swallow his own sobs.

A door creaks nearby. The storage room.

TREVOR DENISE(17) wanders out, yawning, a half-eaten granola bar in his hand. He squinting at the ruined entryway, confused by the draft of cold night air.

The beast, a nightmare of matted fur and knotted, pulsing muscle—slowly swivels its head toward the boy.

TREVOR
(Annoyed)
Yo, who’s there? You know the cabin is for campers only. You’re gonna get me in trouble with—

The beast lets out a low, vibrating growl that rattles the glass jars on the informatory shelves. It coils its weight, ready to spring.

TREVOR (cont'd)
Wait... what the hell are you?

The granola bar hits the floor.

The beast lunges, and the informatory doors rattle on their tracks as the screaming begins.

5 INT./EXT. THE CAVE - LATER 5

Cooper runs across the grass, carrying Harry on his back. Rory tries to stay with them. Cooper looks into the cave and sees Alex is standing about 20 feet inside the cave, back turned to them, just arms to the side. Looking straight.

COOPER
Alex! What are you doing?

RORY
Alex?

Alex doesn't flinch.

Cooper shrugs Harry off his back.

COOPER
Harry get off me!

Cooper takes out his flashlight and shines it into the cave.

The beam seems to stop in a straight line, 3 feet in front of Alex's feet.

Cooper moves the flashlight around this barrier of darkness.

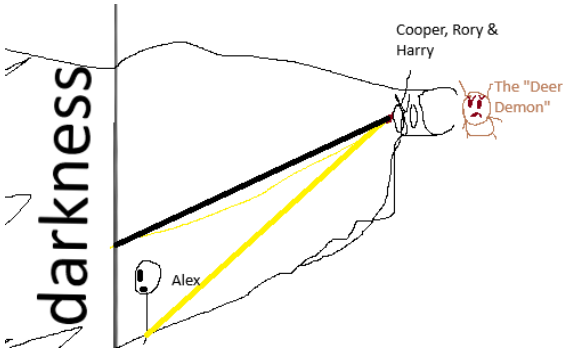

It is completely solid, a black radius separates the light from the dark.

The other 3 slowly walk into the cave.

COOPER (cont'd)
Alex! What is going on! Talk to me buddy!

A ROAR comes from behind them.

They turn and see a deer monster.

The CLOCK TOWER chimes 6 times.

Chime.

Chime.

Chime.

The noise reverberates around the cave.

Chime.

Cooper puts a hand on Alex's shoulder.

Chime.

Alex turns around and looks past the group.

ALEX
The-they told me something cooper.

COOPER
What?

Chime.

The little moon light they did have, starts to fade.

Rory and Harry turn toward the entrance.

The cave slowly getting consumed.

The barrier of darkness starts to creep forward, toward the group.

Alex and Cooper are too distracted to notice the difference.

Rory and Harry look at each other in fear.

Alex pulls something out from behind his back and hands it to Cooper.

It's a book, an old weathered leather bond book with a symbol on the front.

Cooper tries to make sense of it all.

COOPER (cont'd)
You said they?
Who is they?

ALEX
Ju-ju-just look at this!

Alex points at the marking on the front.

Cooper looks at it like he has seen it before.

Alex finally sees Rory and Harry standing there scared.

ALEX (cont'd)
Oh... no no no-

COOPER
What? This is a book about monsters!

ALEX
They told me this would happen...

COOPER
What would happen?

Alex starts to step back into the darkness.

COOPER (cont'd)
Hey! Stop stepping back! Alex!

The darkness opens up like an arch for Alex to step in.

The darkness closes around him.

COOPER (cont'd)
Guys! Where did he go!?

Cooper turns and points at Rory and Harry like they have got the answers.

COOPER (cont'd)
Guys! Did you see where Alex went?

HARRY
He's he-

COOPER
Wait! Where is the moonlight?

The darkness speeds up a little as it creeps closer.

RORY
He just kinda dissolved,
into.. the darkness?

Cooper opens up the book and shows them the pages.

To him, the pages are filled with mythical figures and abilities, weaknesses, strengths & other stats. It's in plain english.

COOPER
This is what he gave me!

To the other two, it all looks like hieroglyphs. They don't know this language.

HARRY
Let me see.

It's symbols and photos of creatures from Harry's childhood books.

COOPER
Why are y'all looking at it weird.

HARRY
Well... That's a werewolf, that's a goblin...
Beat
I think that’s my cousin Randy.

COOPER
What do you mean?
Wait..
What do you mean?

Cooper snatches the book back.

COOPER (cont'd)
Don't you understand? It's like, a werewolf and the description and how to kill it-

RORY
You can understand that?

COOPER
Yeah.. it’s.. english..
Can you guys not read?

HARRY
Oh, yeah!

Harry crosses his arm and gets on Cooper's side.

HARRY (cont'd)
I though I was reading it just fine.

Harry gives Rory sass.

HARRY (cont'd)
What's wrong Rory? Can't read?

The book's leather grows cold. It grows heavier. Cooper drops the book to the floor.

The book starts to flip it's own pages.

Stopping on a page that says: Show yourself.

COOPER
(reading)
Show yourself?

The darkness runs to the edge now.
In a flash, it consumes the whole cave.

6 INT. THE DARK - CONTINUOUS 6

Alex stands in this dark of dark, in front of them. Cooper's flashlight can shine on him and him alone.

But 3 silhouettes stand in front of Alex. The kids can see these silhouettes in what feels like pitch black.

These silhouettes don't move, they don't pounce, they simply watch. Their presence cold.

A spotlight shines in. It shines on the beast. It’s just stands there.

The kids feel what feels like leather in their left palms.

They look down and the handles of daggers has found it's way into their grips.

Alex looks at it slowly.

Without hesitation, likes he has done it hundreds of time before, he throws his.

With perfect accuracy, Striking the beast in the head. The creature doesn't react.

The other kids, walk up with confidence and stab the creature. It whimpers. It starts to shrink.

It gets smaller and smaller until it forms into a teenage girl...

ALEX
(disbelief)
Elena Wood.

HARRY
That's that one girl! The-the one on the posters, on the TV! She-she is dead! They said she was probably dead!

The silhouettes laugh.

The girl falls into black smoke as the silhouettes fall to silence.

They speak, speak with power, they speak in a tongue no one understands.

Cooper's teeth feel heavy in his gums, his vision starts to blur.

The silhouettes pull glowing orbs out from their backs and throw them, they collide together in the air.

Flash of white.

The floor drops away from the kids feet and they fall.

COOPER(16) looks at ALEX(14), who looks at Cooper, who looks at ASHLEY STONE(16) and MIKE BROWN(15).

Alex locks eyes with Cooper and holds up his right hand.

Cooper feels a sting and looks down at his hand, seeing the same mark. (Remember this shot, it will be used later when we come back)

FADE IN:

8 INT. POLICE STATION - NIGHT (1988) 8

Establishing shot of the quiet outside of a small town police station.

The station is a graveyard of beige filing cabinets and flickering fluorescent lights.

RORY FLOWERS(12), COOPER GREEN(12), HARRY BARNS (11) and ALEX HYDE(10) are squeezed onto a wooden bench that's seen better decades.

Alex’s legs are up pressing them in. He is reading a comic.

ALEX
Sooo, Rory... when that "nice officer" asked who saw something, why exactly did you raise your hand and tell them WE—

Alex gestures wildly at the group.

ALEX (cont'd)
Saw EVERYTHING!

Harry with his arms crossed, his massive frame making the bench creak.

HARRY
Snitch.

RORY
What?! They can help! They’re the law, they’re supposed to listen.

Cooper pats Rory’s shoulder.

ALEX
(into his comic)
Right. Because they’re gonna love hearing how tribal demons possessed a girl who’s been missing for two months so she could come back for some sweet bloody teenage revenge, please. This isn’t Friday The 13th.

Harry gasps, showing fear at that name.

HARRY
You are allowed to see that?

Cooper puffs his chest up.

COOPER
Guys, leave her alone. She was just trying to help.

ALEX
(Lowering the comic)
Help whommm, Coop? You think those pigs want to help get that axe out of Trevor Denise’s forehead?

Alex looks all the way up to look at Rory upside down. His eyes lock with Rory. His gaze cold.

ALEX (cont'd)
You want help? Find a shrink.

Alex goes back to his comic.

HARRY
What’s that? Some kind of wizard?

COOPER
A psychologist, Harry. A brain doctor.

ALEX
(under his breath)
Idiots.

A shadow falls over them. OFFICER MILLER (40s) stands there holding a clipboard. He looks at them like a math problem he doesn't want to solve.

OFFICER MILLER
Alright, kids. Technically, I shouldn't be talking to you until your parents get here, but the Sheriff is out of town and I don't have all night. Who wants to go first?

Without looking up from his comic, Alex points a finger at Rory.

ALEX
That’s the snitch. You want her.

Rory’s lip quivers, but she squares her shoulders, nodding with a fragile sort of bravery.

RORY
Yeah. I can do this.

She stands up, legs slightly wobbly.

RORY (cont'd)
I’m ready.

Alex rolls his eyes so hard it looks painful.

COOPER
Can I go with her?

Miller gives Cooper a long, "don't-waste-my-time" look.

OFFICER MILLER
Best if I talk to you one-on-one.
Keeps the stories... "consistent."
Come on, kid.

As Miller leads Rory toward an interrogation room, Harry leans over Alex’s shoulder, breathing down his neck.

HARRY
Do you... maybe have another one of those?

Without breaking eye contact with the page, Alex reaches into his backpack and shoves a second comic into Harry's chest.

ALEX
I packed for the whole summer.

Harry takes it like it’s a sacred text. Cooper stays seated, his foot tapping a frantic, rhythmic beat against the linoleum floor.

Cooper scoots over to the free space.

9 INT. POLICE STATION - MOMENTS LATER 9

Rory is still gone.

Copper checks his watch.

COOPER
It’s been 5 minutes.

Harry looks at the door for a long time, then back at the "WANTED" posters. He looks like he’s about to cry but doesn't want to be the first one to do it.

HARRY
(Quietly)
You think he has a cigarette?

ALEX
Who?

HARRY
The cop. I saw a pack in his shirt. My dad says it calms the nerves.

Alex doesn’t look up from the page. He’s gripping the comic so hard the paper is crinkling.

ALEX
He’s not gonna give you a cigarette, Harry. He’s gonna give you a social worker.

COOPER
Alex, stop.

ALEX
Stop what? I’m reading.

Alex turns a page aggressively. It rips slightly at the staple. He stares at the same panel for ten seconds without moving his eyes.

ALEX (cont'd)
Anyway, my dad says cigarettes give you cancer. So... your dad’s a genius.

HARRY
Shut up. You didn’t see what I saw. You were behind the tree.

Alex finally looks up. His face is paler than usual.

ALEX
I saw enough. I saw the axe, Harry. I saw the way her neck...

He stops. He looks back at the comic, but he’s lost his place.

ALEX (cont'd)
Just read your book. Leave me alone.

Cooper leans forward, elbows on his knees.

COOPER
What if.. What if they don’t find anything?

ALEX
What?

HARRY
What do you mean?

ALEX
Like no bodies?

COOPER
What if... I don’t know. What if the bodies are gone?

HARRY
What are you talking about? I SAW!

Harry raises his voice.

HARRY (cont'd)
A FLIPPING AXE-

Harry lowers his voice as people turn.

HARRY (cont'd)
I saw a girl lose her life.

His face falls.

HARRY (cont'd)
What if her family never gets justice?

Alex looks at Harry and softens his voice in sympathy, then puts the comic to his head again.

ALEX
I mean... Barns. You know, they might not have the handcuffs for a Wendigo!

Cooper flicks the back of Alex’s head

COOPER
Just when I thought you could be nice.

Alex snaps up.

ALEX
What!?
It’s not my fault he wants to give a demon a fair trial!

Cooper comforts Harry.

COOPER
The camp will probably get sued, the family will get something.

Alex’s expressions hardens. He looks cold eyes with the panels.

ALEX
Yeah...

Page flip.

ALEX (cont'd)
Because money is the answer to it all.

Cooper looks at Alex knowingly.

Cooper turns his attention back to Harry.

COOPER
They will figure out something.

A cop walks up and pats Alex’s feet.

Alex puts his feet down.

Alex sits up with a huff and eye roll.

The officer hands Alex a notepad and pen.

OFFICER
(cold)
Write your parents names and numbers.

Alex doesn’t. He hands it to Harry with a unreadable expression.

ALEX
(contained)
The Green’s will take me home.

OFFICER
Mr. Hyde.

Alex looks up at the officer shocked.

OFFICER (cont'd)
(venom)
Your father as been notified,
Mr.Hyde.

Alex’s face drops.

Alex looks down at his feet.

He puts his hat over his eyes.

ALEX
I see... In that case.
I assume the Green’s will take me?

OFFICER
Looks that way.

Cooper hands the Officer the notepad with Harry and his parents info.

COOPER
Yeah...
we’ll take him home.

The Broadcast cuts off.

Alex Hyde, Cooper Green, ASHLEY STONE and MIKE BROWN sit at a diner table.

The same start as the end of the prologue

Back to Alex showing Alex his marking.

Cooper looks back up and Alex shows off his marking like he just won a prize.

ALEX
(cheerful)
Coop! Look look look!

COOPER
(Scared)
What the hell is this?

Alex's face drops as, he too. Doesn't know what this marking is.

ALEX
(unfazed)
I don't know.

Alex points at it again trying to make it cool again.

ALEX (cont'd)
Um...
But..
Um, Adventure!

COOPER
I mean I have one too but, I'm starting to get a little scared here!

Alex waves the scar like cooper isn't seeing its potential.

COOPER (cont'd)
This is past our usual adventure quota!

Alex freezes with a stupid look on his face pointing at the scar. Letting cooper talk.

COOPER (cont'd)
I've had enough of, you know, going crazy but-

ALEX
Coop.

Ashley Stone from the other side of the table looks at them.

ASHLEY
What are you idiots talking about?

Cooper shows her.

COOPER
These.. burns.
I have a mark on my hand now!

Ashley lets out a nervous laugh.

ASHLEY
Oh.. huh. Hell happen to you?

COOPER
I don't know!

Ashley stunned start to get out of the booth.

ASHLEY
Umm...

Ashley gestures at the now normal scheduled programing.

ASHLEY (cont'd)
A 70 ft sinkhole?! 20 ft wide!

Cooper doesn't know what he could say.

ASHLEY (cont'd)
Now you dumb-asses are being marked?
I don't know man!
I didn't sign up for this shit!

COOPER
I mean...
I guess that is understandable-

ALEX
Yeah! We didn't sign up for this either!
Okay!?

Ashley has heard enough. She stands up and walks out with a scoff.

COOPER
Dude. Just let her go. I mean-

ALEX
Dude! Look at this!

Alex points and shows his marking again.

COOPER
Yeah! I don't know what to do about that.

ALEX
Ohhh I don't know...
Get excited! Coop. Theirs a-a-a-a.

Alex leans in and whispers.

ALEX (cont'd)
Coop. I have a mystery mark on my palm now cooper.
Doesn't this remind you of something?

Cooper shakes his head slowly.

ALEX (cont'd)
(whispering)
Wait! Does Mike have one?

They both turn to Mike who has been staring at them.

Mike raises his hand. No mark. He is happy about this.

MIKE
Nope. Don't have one guys!

Alex turns back to Cooper.

ALEX
Coop! What does this mean?
Cooper...

Alex gets a twinkle in his eyes.

ALEX (cont'd)
(whispering still)
We're speciallllll...

COOPER
Yeah I guess we really are buddy.

Mike sees the marking on his friends hands and the pain it caused Cooper.

MIKE
It Obviously doesn't want me right guys!?

COOPER
I guess, Mike.
Thanks for putting it that way.

Mike stands up.

MIKE
Maybe... Ash is right. Guys.
You know, like aliens! I went to another universe! I-I... M-my mom misses me! Okay guys!?

COOPER
That's fine mike. We-we get it.

MIKE
I'm sorry guys, I just...
I've been dead for four days.

Mike starts to walk out.

MIKE (cont'd)
I probably have Homework... Or something.

COOPER
Yeah.

Cooper chuckles at that safe reality.

Alex grabs Coopers arm and attention.

ALEX
(whispering still)
They just, like...
left.

COOPER
I know man.

ALEX
You know what this means?

Cooper rolls his eyes.

COOPER
What?

ALEX
Character development.

Cooper stressful laugh.

ALEX (cont'd)
Think about it!
We get etchings.

Alex draws it out with his finger on the table.

ALEX (cont'd)
Suddenly!

Alex throws his hands up.

ALEX (cont'd)
The two people with etchings!

Alex leans in a goes back to his whisper.

ALEX (cont'd)
Aren't pussies.

Cooper looks like he thought of something.

COOPER
You know...

ALEX
Oh no! Don't leave too!

Cooper leans back more.

COOPER
No no no no no. Dude you think I
can leave with this?

Cooper points to his own scar.

Alex starts moving his scared palm to Cooper's.

ALEX
What if they touch?

Cooper pulls his hand back.

ALEX (cont'd)
Come on Coop! Give me a high five!

They high five.

Nothing happens.

ALEX (cont'd)
Oh, nothing happens.

Alex looks down at his hand.

ALEX (cont'd)
Maybe we shouldn't have down that with open wounds.

COOPER
oh wait... Damn it.

Cooper wipe his hand against his jeans.

Alex is still looking at his.

ALEX
Oh, oh, it's bleeding.

COOPER
Oh yeah. That was a dumb idea.

Alex starts wiping his blood all over his shirt.

COOPER (cont'd)
No! No stop doing that.

Alex looks down at the blood all over his shoulder now.

Alex looks at cooper like he is surprised.

ALEX
Aah... I need to go home and change.

COOPER
I mean, okay.

Alex remembers something.

ALEX
Oh you don't have your bike anymore.

Cooper hits a closed fist on the table.

COOPER
Dang it dude! I can't ride the skateboard with you!

Alex smirks.

ALEX
We haven't tried.

COOPER
I guess I can just run.

Alex pulls out cash and puts it on the table.

ALEX
Yeah lets run.

They run out

12 EXT. OUTSIDE THE DINER - CONTINUOUS 12

Alex and Cooper get out the diner doors when a black SUV seems to be tailing them.

Alex sees it immediately.

ALEX
Um... Do you think that is my dad?

COOPER
Um-

Another Black SUV appears.

COOPER (cont'd)
Why would your dad be here?

Alex’s face saddens at that.

ALEX
Oh yeah. Good point.

Cooper picks up the pace as another black SUV starts to approach from the other direction.

COOPER
Okay now we really should run.

Alex starts to run.

Cooper tries to stay with him.

13 EXT. SIDEWALK - CONTINUOUS 13

COOPER
You know...
If you have to.
You can leave me.

Alex throws down his skateboard and rides off down a different path. He takes off.

One of the black SUV turns for Alex

COOPER (cont'd)
(to himself)
I can’t take them home!

Cooper runs for downtown instead.

14 EXT. DOWNTOWN GREENVILLE 14

Cooper is running down the sidewalk.

The black SUV still on his tail.

He sees the butcher shop coming up on his left. He turns to that alley. The butcher’s truck is blocking the path.

Cooper dives behind the trashcan. He tries to hide.

The SUV comes to a stop.

The back window rolls down to reveal AGENT FINNIE in a black suit.

AGENT FINNIE
Hey kid. Umm... this isn’t a cartoon. I saw you do that.

Cooper stands up and walks out of his hiding spot.

COOPER
What do you want?

Four men get out of the truck. The one sitting in the back has a clip board.

AGENT FINNIE
Um, are you..

The FBI agent taps his clipboard.

AGENT FINNIE (cont'd)
Mr. Green? Cooper Green?

COOPER
Yes.

AGENT FINNIE
Huh-

The Agent starts to check for something on his list.

COOPER
Who are you?

The agent looks up at him for a second before checking his list again.

COOPER (cont'd)
Are you the CIA?

The Agent looks up at him like he is gonna say something then goes back to his list.

The agent finds something and taps his board again.

AGENT FINNIE
Oh yeah, you are gonna have to come with me.

COOPER
Can I let my parents know or-?

Two of the men grab him by the arms and throw him in the van.

AGENT FINNIE
It's best if they don't.

COOPER
That is totally not scary.

They tuck him into the seat belt and close the door. The window is still open.

COOPER (cont'd)
Can I see some form of identification, please? Something.

The Agent pulls up with shirt and shows a handgun.

AGENT FINNIE
Does this work?

COOPER
Um, a Federal ID would be preferred.

The agent puts his shirt back and takes out his wallet.

AGENT FINNIE
Oh, of course, of course. Of course.

He pulls out an FBI badge.

Cooper sighs.

COOPER
Oh.. Okay.

Cooper reads it.

COOPER (cont'd)
FBI... Pinny?

AGENT FINNIE
It's Finnie!
Finnie!

COOPER
Finny?

AGENT FINNIE
(stern)
F I N N E I I E.

The FBI agent confuses himself and looks at his own badge.

AGENT FINNIE (cont'd)
(embarrassed)
F I N N I E

COOPER
I'm I'm sorry man. That-I mean, sir. That um...

Cooper puckers his lips trying to hold it together.

COOPER (cont'd)
You know I'll keep that comment in.
Um, yeah sure works for me lets go.

AGENT FINNIE
Just shut up.

COOPER
Yeah.

The men get in the car and drive away.

15 INT. ALEX'S APARTMENT COMPLEX - ELEVATOR - CONTINUOUS 15

Alex runs up the elevator and it gets to his level.

The door opens and Men in suits get in with him and send the elevator back down to the lobby.

Alex looks at the door closing and back at the men.

ALEX

RANDOM AGENT
We know Mr.Hyde.

ALEX
Oh, um...
(stupid smirk)
Going down?

16 INT. INTERROGATION ROOM - LATER 16

Text types on to the screen : April 20th, 1992

Cooper wakes up in a dark room. It looks like it's from that show his mom watches.

Cooper looks around.

COOPER
Hello?

Agent Finnie opens and walks thorough the door.

AGENT FINNIE
Hello Mr. Green.

Finnie sits at the chair across from him.

AGENT FINNIE (cont'd)
You know where you are kid?

COOPER
My worst nightmare.

AGENT FINNIE
(confused)
What?

COOPER
I mean-

AGENT FINNIE
Listen kid.
This isn't the time to make jokes.
Do. You. Know where you are?

COOPER
(sits taller)
No.

AGENT FINNIE
(smirks)
Good.

Finnie looks down at the papers he walked in with.

AGENT FINNIE (cont'd)
Alright. What do you know about the sink hole?

Cooper looks at the ceiling.

COOPER
Oh, the sinkhole?
Oh right. The one on the news.

AGENT FINNIE
Sure. On the news.

COOPER
Yeah nope, never heard of it.

Finnie leans over to his elbows.

AGENT FINNIE
Cooper. Green.

COOPER
Yeah.

AGENT FINNIE
Correct?

Cooper nods his head trying to not meet his eyes.

AGENT FINNIE (cont'd)
Are you aware you talk in your sleep?

COOPER
No. Why?

AGENT FINNIE
Because, you had, a couple words to say.

He looks down at his notes.

AGENT FINNIE (cont'd)
What does.. Who..
Who is..um, I'm sorry..
Who is B-Dog?

COOPER
Um.

AGENT FINNIE
You were having what seemed like a nightmare.
(reading the list)
And..
- Save me B-Dog.
(trying to not laugh)
So.. Now please. Enlighten me.

Cooper searches for a possible good explanation.

COOPER
I got an imagination!
Why are the laughing BTW?
I thought you were a professional.

Finnie's expression hardens. He returns to his papers.

AGENT FINNIE
Who is Stone?
Something about, “Save me stone.”

COOPER
That one now..
That one makes a lot more sense.

AGENT FINNIE
Something about, “hold me stone”

COOPER
Also a dream.

Finnie goes to flip the page. Cooper reaches out his hand but falling short of the papers.

COOPER (cont'd)
No no..
No need to go into detail, Please!

The Agents looks up at him with a smirk, adjusts his hat and looks back at the paper. Taking a moment to review.

COOPER (cont'd)
It’s just a girl. Don’t worry about it.

Finnie sits tall again.

AGENT FINNIE
You called for Hyde, Correct?

COOPER
(confused)
Called?

AGENT FINNIE
Yeah in your dream. You called for help from Mr. Hyde.

COOPER
(understanding now)
Oh. Yeah Of course.. that’s my boy.

Finnie looks back at his papers again.

AGENT FINNIE
In fact, you called out for a lot of names.
I have a list here.

Finnie points down at the list in a taunting manner.

COOPER
You know..
I’m not so sure what I am doing here.

Finnie starts to read from the list.

AGENT FINNIE
- Save me Alex
- Save me Hyde
- Hyde!!
- H-no no don’t hide!

COOPER
Is that a transcription!

Finnie's eyes meets his.

AGENT FINNIE
We have to keep records here.

COOPER
Okay, but-

Finnie reads from the list.

AGENT FINNIE
- Save me B-dog

Copper slams his hands on the table.

COOPER
What does it take me to get out of here?!

AGENT FINNIE
(reading)
- Save me B-dog
- Ayo dog!

COOPER
Do you think this is funny?

Finnie rubs his face trying to put on a stern look.

AGENT FINNIE
Green.
Fours kids are missing.

Cooper shocked by the turn of dialogue.

COOPER
Okay..
Why didn't you start with that?

AGENT FINNIE
Well-

COOPER
And what do I have to do with that?

AGENT FINNIE
Listen Cooper, if I start with the truth, will you?

Cooper smirks and look sway from his gaze.

COOPER
(eyes narrowed)
Yes?

Finnie adjusts his hat and reads again.

AGENT FINNIE
- Save me mommy
- Hold me mommy
- Someone please-

COOPER
YO! I didn't say that!

Finnie with a smile slides the list over for Cooper's review.

Cooper reads for a moment.

COOPER (cont'd)
Shit..
(handing it back)
I need to get that checked.

Coopers puts his hands to his face.

COOPER (cont'd)
Alright so you've embarrassed me.

AGENT FINNIE
How am I embarrassing you? It's only us.
Listen-

COOPER
I mean you were probably listening before anyways.

Finnie sighs.

AGENT FINNIE
Listen, Green.
You are right, this list isn't why you are here. I was trying to break
(MORE)

AGENT FINNIE (cont'd)
the ice. Get you comfortable. But, you did say something in your dream that does concern me.

COOPER
(nervous)
What?

Finnie turns the list around and shows it to Cooper.

The note:

Don't say it out loud.

"Throughouts"

Finnie holds it up for him to see.

AGENT FINNIE
What does that word mean to you Mr. Green?

Cooper squints his eyes hard at the word.

COOPER
(reading)
Don't say it out Lou-

AGENT FINNIE
(panic)
DON'T READ IT OUT LOUD!
(easing up)
What does it mean to you?

COOPER
What?

AGENT FINNIE
That word!

Throughouts is underlined three times and circled.

COOPER
Umm..
Nothing.
I don't even know how to pronounce that.

Finnie sighs heavy again and fidgets with his papers.

AGENT FINNIE
Mr. Green

COOPER
Yeah?

AGENT FINNIE
I think you underestimate how much your friend talks.

COOPER
What friend?

AGENT FINNIE
Alex Hyde

COOPER
(like he is testing the name out)
Alex?

AGENT FINNIE
(done with him)
Yes
You aren't the first one interviewed.

COOPER
Enlighten me. What did he say?

AGENT FINNIE
Well..
He-he said.

Agent Finnie puts on a strong smirk.

AGENT FINNIE (cont'd)
He told me, about a little crush you have. A little, uh, Ashley Stone, a little.. I don't know. You going to another dimension. All about these...

Finnie looks down at the Underlined word still facing up on the table.

AGENT FINNIE (cont'd)
Things...
How he watched you collapse in a house.
How he watched the house come back even though it wasn't actually gone. It was "invisible".

Coopers face drops.

AGENT FINNIE (cont'd)
But what I found curious was that.. in his recollection. This house that we have no record of ever collapsing, collapsed in front of him, and was replaced with a perfect plot of land with just a mailbox.
Now, no one in town has ever heard of this house collapsing, and he has an account of it collapsing four days before it actually collapses!
So green, which is it?

COOPER
What?

AGENT FINNIE
You can tell the future of history's past or we are on to something here!

Cooper smirks and leans back.

COOPER
I would say it's coincidence.
Can I like hear-
Can I see Alex?

Finnie grows a smile, looking down at his papers.

AGENT FINNIE
Of course. If it will make you talk.

Finnie gets up and walks out with his papers.

AGENT FINNIE (cont'd)
(predatory eyes)
Don't go anywhere.

17 INT. INTERROGATION ROOM - LATER 17

Alex walks in with a BIG GULP™.

He sits down as he takes a seat.

Alex looks content.

COOPER
Oh no! Alex! What did you-?

ALEX
Dude! They have a soda fountain here and the vending machines!
(Alex leans in whispering loudly)
Has everythinggg!

COOPER
(speechless)
No.

Alex points at the big cup of liquid in his right hand.

ALEX
Have you tried this!?

Cooper shakes his head in his hands.

COOPER
Okay-okay. What did you spill?

Alex looks down at the table and his shirt.

ALEX
Where?

COOPER
No-no. Like.. Everything?

ALEX
I mean.. if you had an audience, wouldn't you tell your story?

Alex looks up and weighs that.

ALEX (cont'd)
Well technically I would your story.

COOPER
So I can just spill it?

Alex looks confused like he is missing something.

ALEX
Yeah.

COOPER
Okay.
(to himself)

Okay. Okay.

Alex sips his drink and waves at the camera in the corner.

COOPER (cont'd)
Okay so.. what's like.. The plan?

Alex looks back at him lips around straw.

ALEX
(mouth full of soda)
the plan?
(swallows)
They didn't tell you?

Alex smiles wide.

ALEX (cont'd)
Okay so basically, um.
They are gonna kill us.

Cooper looks up and slams his hands down on the table.

COOPER
WHAT!?!

ALEX
(ecstatic)
Yeah!

COOPER
No. Why are you so happy?

ALEX
Because you haven't heard the best part Coop.

Alex takes another sip before he continues.

ALEX (cont'd)
Sooo.. you are gonna kill us and then they're going to bring back other versions of us from another dimension. But wait, rich versions of us. They're going to download our consciousness.
[reading note: the "-" means they are interrupting each other]

COOPER
Well-

ALEX
Bring in rich ones-

COOPER
Yeah. Yeah. Yeah-

ALEX
Put our consciousness in those rich ones!

Alex's stares at Cooper waiting for him to match his vibe...

COOPER
See, how do you know they're telling the truth? I don't-I-I'm sorry. It's just I'm having a little trouble believing this. Like, do you have like this like-written out

ALEX
Cooper. Dude, do you know who these people are?

COOPER
Yes.

ALEX
They are like..
(a loud whisper, spacing the letters out for dramatic effect)
FBI

COOPER
Yeah. And uh last time I checked, they're not the greatest of people.

Finnie walks into the room.

AGENT FINNIE
Okay, Mr. Hyde, you can get out now.

ALEX
(disappointed)
I got to go. Um, there's Foosball though.

Finnie starts pulling Alex by the back of the shirt.

ALEX (cont'd)
(to Finnie)
Hey man. Jeez.
(to Cooper)
There's Foosball.
Dude, finish up here. I'll be out there.

Alex is essentially pulled out of this room.

Finny closes the door and sits down.

AGENT FINNIE
So we good?

COOPER
(defeated)
Yeah.

AGENT FINNIE
So, what happened the summer of 88?

COOPER
88?

AGENT FINNIE
Yes.

COOPER
Why do you want to know about the summer?

AGENT FINNIE
Why would I want to know about seven teenagers being murdered at a summer camp?
Why would I want to know about the kids who claimed they saw it all one second and forgot it in the next.

COOPER
(attitude)
Not exactly something I just want to bring up at a whim.

AGENT FINNIE
At a whim? Four teenagers are gone.

COOPER
Right now?

AGENT FINNIE
Yes.
Just as you were yesterday!
Now here you are, completely healthy. Do you understand-

COOPER
Okay! I understand!

AGENT FINNIE
That a house, apparently, allegedly, collapsed on top of you.
You disappeared into a house we never knew existed for 4 days straight.
Your parents, sick and tired, held your funerals!
Which I..
didn't attend.
I was busy all week.
BUT-

COOPER
What do you want to know?

AGENT FINNIE
Oh, so now you have answers.

Cooper rolls his eyes.

AGENT FINNIE (cont'd)
Listen, Green, I love the attitude.
I really do, you know, and I'm sure your brain exercises here are amazing. So tell me..
(he leans in)
Where do I find?

Finnie looks down at the list from earlier.

AGENT FINNIE (cont'd)
B-dog.

Cooper not expecting that.

COOPER
You are kidding.

AGENT FINNIE
Yes, because the FBI is very known to kid.
Where do I find B-dog? That is the only name you gave us.

Cooper looks up and thinks back.

COOPER
Okay. Um, in 88 he was kid I knew, my age, or younger I think. I don't remember. But his name was Harry Barnes.

AGENT FINNIE
(holds back a smile)
You're kidding.

COOPER
No. Why? Why would I? Now-now why-why would I kid? Huh?

AGENT FINNIE
Um, I don't know. Because you're a 16-year-old being faced with the FBI.

COOPER
Yeah. It's not exactly welcoming, but that's the truth.

Finnie writes it down in a note pad.

AGENT FINNIE
Do you know where I can find this..
(holding in a laugh)
Harry Barns.

COOPER
No idea.

AGENT FINNIE
Really?

COOPER
Yes. I don't-like-I. He was with my summer camp sure, but I like don't think to remember him. Maybe I saw him in the halls. I think he probably still lives here.

AGENT FINNIE
(believing him)
Okay.

Finnie writes down more, pen pauses.

AGENT FINNIE (cont'd)
And this, flowers, is that a first name?

COOPER
Last.

AGENT FINNIE
Okay.. What's the first?

COOPER
Rory.

Finnie starts writing again.

AGENT FINNIE
Anything else?

COOPER
Not that I can think of.

Finnie flips his note pad to a new sheet.

AGENT FINNIE
Okay, now.
In 88, you told accounts of a teenage girl coming back as a wendigo to get revenge and quote, "Sweet, sweet teenage bloody revenge."

COOPER
I said that?

AGENT FINNIE
Yes, at least it says here you used such a phrase.

COOPER
Huh-

AGENT FINNIE
Also, back then during your interview with Officer Millers, you seem to-

Finnie gets distracted by a thought.

Finnie looks at green like he is a friend.

AGENT FINNIE (cont'd)
Offer Millers actually worked here now.

Finnie continues to write the report.

AGENT FINNIE (cont'd)
You seem to have, wanted to protect this Barnes.
Oh yes I see here!

Finnie starts writing something down.

COOPER
Me? Protect Barnes?

Finnie is busy filling in notes.

Finnie connects dots of info and sits back up.

AGENT FINNIE
You know what?
I didn't need you!

COOPER
Ouch.

Finnie stands up and walks out the door with a confident smile.

After a moment, Alex walks back in.

Alex sits down with a huff.

ALEX
Uh, they told me to keep an eye on you.

Alex sips his drink uninvested in baby sitting. Alex is now calm. Now excited, just chill and laid back at the idea of talking to Cooper.

COOPER
You!?

Cooper points at him.

COOPER (cont'd)
Keep an eye on me?

ALEX
Yeah.. one of us is cooperating.

COOPER
I cooperated! You know what, let me kick your ass at Foosball.

Alex looks back at the door.

ALEX
I think they locked the door.

Alex sips the drink again.

COOPER
Wait, they definitely did.

Alex puts the drink down and his face drops and saddens.

ALEX
Listen..
Cooper..
I've got to apologize.

COOPER
(sensing the shift in mood)
For what?

Alex looks down at the table.

ALEX
Coop.

A single tears runs down his face as he locks eyes with Cooper. Alex wipes his tears with his arm. Showing his age. Dread and guilt demanding his expression.

ALEX (cont'd)
(sniffling)
It was my only way out. Coop.

COOPER
What was?

The fluorescent lights above them turn off with a CLICK.

Lights turn back on and Alex is gone.

Cooper stares at the Drink and the empty chair.

COOPER (cont'd)
No. No. What is this?

Finnie walks in, content smile on his face.

AGENT FINNIE
So. Cooper. You ready to wake up?

COOPER
Wake up? What is going on here?

AGENT FINNIE
(sinister smile growing)
Cooper, Why don't you ask.. your inside?

COOPER
My in-

Cooper connects the dots.

COOPER (cont'd)
This is nonsense. What is going on? Who are you?

AGENT FINNIE
Ask. Him.

Cooper looks around, seeing no route for escape.

COOPER
Damn it.

Cooper tilts his head back and goes into the darkness.

THIS IS EXTRA SCENES I AM WORKING ON OUT OF ORDER

18 INT. THE ENDLESS WAREHOUSE 18

(TRIGGER WARNING)
THIS SCENE DOES CONTAINS CHILDREN DYING AND THE DETAILS OF A SUICIDE

One of the workers, from far away. Around 1.1C.

The 6 year old throws down his hardhat and stomps his little foot.

WORKER 1
I am tired of this shit!

One of the Workers in suits walks up slowly.

WORKER 2
(warning)
Now, Now, Buddy. Put that happy face on.

The manager leans in close.

WORKER 2 (cont'd)
(forewarning)
Rememberrr..
Mother is watching.

Worker 1 pulls out one of the boxes from the shelf. He opens it.

It is full of pink bubble guns.

Worker 1 grabs one and points it at the manager.

WORKER 1
(tense/trying to sound intimidating)
Don’t come any closer.

Alex tilts his head.

They all squint their eyes and start to walk over.

ALEX
What is happening over there?
What is that thing?

COOPER
I think it’s a pink bubble gun.

HARRY
Why pink?

ALEX
What is he gonna do with-

The worker pulls the trigger. bubbles fill the space between the worker and manager.

WORKER 2
(disappointed)
Oh buddy. really? Wasting the product? That is so-

A bubble touches the managers arm.

POP!

The manager's guts, blood, and shreds of his suit fly in every direction.

The sound reverberates through the endless warehouse.

All the workers in the area stop for a second. Look at the scene. Then continue to their work.

WORKER 1
Oh no! No-No-No!

Worker 1's face seems to snap toward Mother.

The Black orb of pure Void seems to hum.. sing..
Mother is mad.

The Worker's eyes glaze over as he drops to his knees, eyes locked on Mother.

The Worker puts the gun to his head.

WORKER 1 (cont'd)
I failed thee moth'r.

The worker seems to snap out of the trance. He looks at the gun pointed at his head.

He hangs his head and looks at the ground.

WORKER 1 (cont'd)
I see.

The worker seems to pray, closing his eyes and pressing the gun harder at the side of his head.

WORKER 1 (cont'd)
Don’t alloweth mine own spirit beest due f'r nay purpose.

POP!

The bubble gun hits the floor.
