INT. NED'S BEDROOM - NIGHT

Ned walks up from a nightmare and practically jumps for his phone. He dials.

INT. ANASTASIA'S BEDROOM - CONTINUOUS

Sits up in her own bed at the sound of the phone. She picks it up.

ANASTASIA
(Tired)
Hello..?

NED
(squeaks)
hi...

INT. NED'S BEDROOM - CONTINUOUS

Anastasia sighs through the phone.

ANASTASIA
(annoyed)
It's three in the fucking morning, dude.. Why are you calling me?

Ned frowns at the sound of her annoyance. But she knows she is just tired.

NED
(in a small voice)
I had a nightmare.

INT. ANASTASIA'S BEDROOM - CONTINUOUS

Her tired eyes still closed as she speaks. She is exhausted but still worries for him.

ANASTASIA
(a quiet voice)
Oh, baby... Was it a bad one?

NED
(Matter-of-factly)
You fucking died.

ANASTASIA
I.. I did? In your nightmare?
