INT. LEO'S APARTMENT - DAY

Leo (19) losing sleep over a laptop, he is frantic, he is writing things down, paper balls around him.

Leo texts someone and goes back to smacking the keys.

INT. JAME'S APARTMENT - CONTINUOUS

James (late teens) is eating cereal and watching VRChat trolling videos in a black robe, when he gets the notification

The message says: Code TacoCat !

James rolls his eyes at this message and throws his cereal away, grabs his keys and walks out the front door.

JAMES
(to himself)
This one better be worth my frosted flakes.

INT. APARTMENT HALLWAY - LATER

James knocks once and the door swings open and an arm grabs his shirt and drags him in.

INT. LEO'S APARTMENT - CONTINUOUS

LEO
The #2 is Alive!!!

JAMES
What?

LEO
Yeah-yeah.. listen. Sit... please.

James folds his arms and huffs looking at the ceiling.

LEO (cont'd)
James I am deadass man!

Leo points at the couch.

LEO (cont'd)
Sit your ass here boy!

James walks into the kitchen and gets a drink from the fridge.

JAMES
Fine... but just because I already wasted the gas to be here.

James reappears and sits on the couch.

LEO
How can you be worried about refreshments right now!?

James looks at the TV; it has a slideshow pulled up that says “A slideshow for James”.

Leo takes a deep breath.

LEO (cont’d)
the number 2! stay with me here...

James holds his drink up in a mock cheers signaling Leo to continue.

Mouse Click.

LEO (cont’d)
2 is the only even prime number... correct?

Mouse Click.

JAMES
Uh... yes. 2 is the only prime number right? So-

JAMES (cont’d)
(confused)
Is that Professor Steven?

Leo follows his finger.

LEO
YES! I checked his pencil bin, you know the one he puts next to the door so we can borrow if we need to?

James starts to nod his head slowly.

Mouse Click.

LEO (cont’d)
I checked it right? And... GUESS... WHAT... Only #2 pencils! You see!?

James switches to shaking his head slowly.

LEO (cont'd)
What do you mean no? I mean... okay whatever. Maybe this-

Mouse Click.

Leo points a picture of the Twin Towers.

JAMES
(quickly)
NOPE! Skip, next point.

Mouse Click.

Leo throws his hands up in frustration.

LEO
Fine! Okay... How about this?

Mouse Click.

Leo points at a picture of a bush from Fortnite.

JAMES
(intrigued)
Go ahead.

LEO
Okay! So, think about this, how many presidents have been a Bush?

JAMES
2

LEO
SEE!?

JAMES
NO! okay, what does that have to do with it being alive!

Mouse Click.

LEO
no no, it's not "alive" it's... constant. ALSO, how many Roosevelts?

JAMES
2

LEO
smart boy! Now, riddle me this one JAMES!

Mouse Click.

Leo points on a news paper talking about the World War.

LEO (cont'd)
Have you ever seen an old news paper talk about World War I?

JAMES
What? of course there was newspapers during the first world war! Journalism was a whole political thing at the time!

LEO
Okay okay.. but did they call it World War I?

JAMES
Well, no be-

LEO
Then why!

Mouse Click.

Leo points at a photo of a newspaper about WORLD WAR II

LEO (cont'd)
Then why did they NEED to say 2? Better yet! Why did we stop at 2?

James stands up

JAMES
Because it was before the second one!

Leo pushes James down to the couch

LEO
NO! You don't leave, you...you...
(starts to tear up)
I know what you are!

James looks around, confused, as the mood shifts.

LEO (cont'd)
You! You FUCKING... thing!

JAMES
(still confused but insulted)
What did you just call me!?

LEO
Think about it! It all makes sense!

JAMES
What!? What makes sense!?

Leo paces back and forth.

LEO
(to himself)
Two World Wars. Two Roosevelts. Two Towers. And YOU...

Leo points a crazy shaky finger at James.

LEO (cont'd)
Sitting in my living room... pretending you're an original.

JAMES
Then what am I?

LEO
You are a thing! Nothing but a Thing 2!

Mouse Click.

It's a picture of Thing 2 (the Dr. Seuss character) with James' face photoshopped on them.

LEO (cont'd)
You fucking Duplicate!

James stands up again

JAMES
What are you talking about!?!

LEO
(betrayed)
I can't fucking believe you...

Mouse Click.

It's a picture of James with his twin brother.

JAMES
What does Matt have to do with this?

Leo backhands James across the face.

LEO
(shouting at James)
You fucking... unoriginal fuck! You aren't the first born!
(to himself)
I can't believe I trusted a...
(like it hurts to say)
Twin!

James storms to the door.

JAMES
Fuck you Leo! I can't believe you are doing all this over my twin.

James reaches for the door knob

Gun hammer

James freezes facing the door.

JAMES (cont'd)
Leo... don't... please

James slowly turns around with his hands on his head

JAMES (cont'd)
Leo! It's me, your bestie! Your fucking day one since 2nd grade! Come on man! It's me!

Leo's eyes widen.

LEO
What grade?

JAMES
T-The second grad-

Leo squares his shoulders.

LEO
There can only be one-

Gun shot

CUT TO:

THE END
