INT. MARK'S ROOM - DAY

Mark is sleeping in bed.

KEY JINGLE FROM FRONT DOOR

Mark opens one eyes. Not moving, just listening.

FOOT STEPS DOWN THE HALL.

Mark looks at his alarm that reads: 8:30am

WALK PAST HIS ROOM.

MARK
(to himself)
Oh right, Kevin has class at 9 today.

mark turns in bed, his back to the door and closes his eyes.

MARK (O.S.)
(from the hallway)
Yo Kevin. You good?

Marks eyes shot open wide. He contradicts what he just heard.

MARK
Did I just hear?-

KEVIN (O.S.)
(half asleep)
Huh? Yeah. I'm good Mark.

Mark jumps around in bed. He stares at his closed door. Waiting.

MARK (O.S.)
(concerned)
Can I come in?

Mark starts to get up.

KEVIN (O.S.)
I guess dude.

SQUEAK.

Mark quickens his pace.

CLICK.

Mark throws open his door.

The hallway is empty.

Mark walks over to Kevin's door and puts his ear up to it.

He listens. Nothing.

MARK
Yo Kevin. You good?

KEVIN (O.S.)
(half asleep)
Huh? Yeah. I'm good Mark.

MARK (O.S.)
(concerned)
Can I come in?

KEVIN (O.S.)
I guess dude.

Marks eyes widen as the similarities hit him.

SQUEAK.
